Dear Friend:

The Pennsylvania State Machinists Council is excited and proud to announce the 12th Annual Charity Bowl to benefit the Guide Dogs of America. All of the proceeds will be donated to the Guide Dogs of America. We are looking for all participants and sponsors to have a great time and contribute to a most worthy cause. The bowlers can get pledges in order to meet the \$100 minimum. The money can be turned in prior to June 7, 2021 or brought to the charity bowl. The enclosed brochure contains the registration form that must be turned in by **May 24, 2021** so that we can be well organized regarding the number of bowlers. You will also find fundraising contribution sheets for you to obtain pledges.

The biggest part of the fundraising event is the charity bowl and the sponsorship of the various lanes. I would suggest to you that you review the attached flyer and please enter the charity bowl and become a sponsor on one of the lanes. If you cannot attend the charity bowl you may sponsor one of the lanes or just send in a donation to the Guide Dogs of America. We need your assistance in obtaining our goal.

Please consider donating items to our charity bowl and raffle. We can use anything that you are willing to donate. As a donor, we will give your company added exposure throughout the charity bowl.

Please review the enclosed brochure on our charity bowl and if you have any questions, please feel free to contact me. A representative from our organization will be calling you to see how we can give your company more exposure and how you might be able to assist.

Thank you for your consideration.

Sincerely,

Kermit B. Forbes, Jr., Fundraiser GDA
