

# WELCOME TO SORO FEST 2018!

**WE ARE TURNING 21 THIS YEAR**

Since 1997, the South Robertson Community Festival has drawn thousands of families from across the city to discover one of LA's hidden gems. SORO Fest features a live music stage and hundreds of vendor booths highlighting neighborhood businesses, community information, and a variety of quality merchandise. It also offers Camp SORO Kids Zone with attractions, like a rock-climbing wall, ferris wheel, arcade games as well as free arts and crafts for children.

The festival will include distinct "Villages" that include a Beer and Wine Garden, Gourmet Food Village, Boutique Village, Health, Public Safety, and Ecological Villages—and this year, a new Pet Lovers Village. Our professional Master of Ceremonies will keep the Main Stage hopping with music, dance, comedy and more.

There will be Community Awards, a Festival Raffle featuring thrilling prizes from our local sponsors and much, much more.
