The “Well that’s Different,”

Underwriting Opportunities

Listen, they’re called fundraisers for a reason. The key word being FUN... wait, no, the key word is FUND, and events like Casino Night help raise funds in a fun way. Take a look at some of the unique and different ways you can support our cause.

This Wall, That Wall, and What Wall? - \$1,500

In order to hold our event we need a room, and every room needs walls. We have three walls that need sponsors, “This Wall, That Wall, and What Wall?” The walls of this event are VERY important. You can sponsor an ENTIRE wall. Everyone will be so impressed that your company was generous enough to give us walls for the night, they will be begging for your business. We’ll even hang a banner with your name/logo on it!

The Greatest Bar in the World - \$1,000

We know you’ve always dreamed of owning your own bar. Well now is your chance. We are going to set up the greatest bar this world has ever seen at this event. We will print out a sign that is the facade of this bar with YOUR logo on it. Everyone is going to know that you sponsored their favorite drinks that night!

Bathroom Sponsor- \$750

Without a sponsorship, we will have to keep the doors locked to our bathrooms the entire night. Okay, well maybe that’s not all true, but people will be thanking you profusely for not making them hold it all night. Package includes a GIGANTIC sign in front of the bathroom thanking you for being ever so kind.

Lasers and Fireworks - \$500

We will be purchasing a super rad laser machine (Amazon is a beautiful thing) that will project a cool laser show on the wall the entire night. The fireworks probably won’t be true, but you can tell everyone that you sponsored lasers and fireworks and we won’t tell.

Dress a Dog - \$300

Do you know how many people pet dogs at an event filled with dog lovers?? Millions if not BILLIONS. We’re shameless when it comes to fundraising. We’ll put your logo on a dog at the event for the night! You can sponsor as many dogs as you like.

The Invisible Caviar Bar- \$400

Caviar is expensive yo! We can’t provide that to 200 people. But what we can do is set up a table with your company’s logo on it and tell them to use their imagination.
