Form 990, Part I, Line 1 - Organization Mission or Significant Activities

The Organization transforms the lives of people who are blind, veterans, individuals with autism, and vulnerable populations in facilities through partnerships with service dogs. The Organization's operations located in Sylmar, California include a Kennel, Guide Dog Training, Service Dog Training, Veterinarian Care, Student Relations, Puppy Program, and Breeding.

The Organization's Breeding center hosts approximately 45 adult canines for breeding and manages the placement of puppies with volunteer homes to provide day-to-day care until it is time for them to be returned to the Organization for training.
The Organization's Puppy program monitors and assists with training in the community until the puppies are returned for training. The Kennel boards these dogs when requested and cares for all dogs returned for formal training at approximately 18 months of age. Licensed instructors take over training the skill set required for a guide dog. Throughout this time, the Organization's Veterinary Department provides most of the medical needs for the dogs.

The Organization's Prison program for Service Dogs monitors and assists incarcerated individuals with the raising and training of puppies. Instructors enter correctional facilities multiple times a week to develop the dogs from puppyhood to adulthood. Service dogs learn their entire skill set in the prison program. Trainers take the dogs out of the prison for a few days at a time to give them experience in the real world.

The Organization provides temporary living quarters for its Student Relations program. The Student Relations program is designed for blind recipients of guide

dogs, as well as veteran recipients of service dogs, primary care giver recipients of autism service dogs,and primary handler recipients for facility dogs. All recipients receive specialized instruction on mastering the technique of using a guide or service dog. The Organization is committed to assisting each student during the working life of the team, including boarding and veterinary care when available. The Organization's volunteer base has expanded to approximately 210 on campus volunteers in addition to the approximately 200 volunteers who have the Organization's dogs in their homes. The community of volunteers provide added care to the dogs onsite along with providing assistance to the blind who are involved with the Organization.

Transforming lives through partnership with service dogs. Our hardworking dogs for people who are blind/visually impaired, veterans, individuals with autism, and facilities become trusted companions, bringing confidence, independence, and mobility. All programs and services at Guide Dogs of America – including transportation, room/board and a lifetime of support – are provided at no cost.

Form 990, Part III, Line 4a - Program Service Accomplishments

Guide Dogs of America breeds, raises, and trains guide dogs for individuals who are blind/visually impaired and service dogs for veterans and children with autism. They also place facility dogs with professionals in hospitals, schools, and courtrooms. All programs and services, including transportation, personalized training, room/board, and postgraduate support, are provided at no cost to the recipient.

The breeding program is dedicated to producing dogs with the optimal health, temperament, and desire for service work. The nursery breeds and whelps the colony to guarantee a pipeline of future service dogs and houses around 50 to 60 puppies at a time.

Guide dog puppies are placed with carefully screened foster families at eight weeks old. The puppy program monitors and assists the foster families with teaching young canines basic obedience, proper house manners, and helping them mature. The dogs return to GDA at 14 to 18 months of age for formal training.

Service dog puppies are raised and trained in a two-year prison program. The staff teaches carefully selected inmates how to train their dogs using only positive reinforcement techniques. Each service dog puppy grows up to learn over 50 commands. The prison program dramatically aids in rehabilitating incarcerated individuals.

The kennel boards guide dogs in formal training, puppies-in-training, females in heat, and graduated service dogs. The kennel staff dedicates their time to caring for, feeding, grooming, socializing, and stimulating the canine guests.

Qualified instructors teach the skill set required for guide work. Training can last anywhere from three months to a year, taking place on campus and in various environments throughout Southern California. Throughout this time, our veterinary center manages the medical aspect of our dogs.

The training program's goal is to teach the dogs and students to work together as a

team. Students attend a 7 or 21-day in-residence training program. GDA provides transportation to and from the school (including air travel), room/board, and dining accommodations. The students are expertly matched with a professionally trained, highly qualified guide or service dog. During the class, they receive personalized instruction on caring for and working with their dog. All graduated students have access to extensive postgraduate support services and veterinary care at the campus clinic.

The service dog program had 51 dogs in training: 24 at Mule Creek State Prison, 17 at Camp Pendleton Base Brig, and 10 at Ronald J. Donovan State Prison. Nineteen teams were placed in service from July 2020 to June 2021, consisting of 11 dogs placed with veterans, 7 dogs placed for children with autism, and 1 service dog placement in a facility. Our goal is to graduate 60 guide dogs each year while providing a lifetime of support.
